**Parking:**

There is free street parking on West 10<sup>th</sup> and West 8<sup>th</sup> Avenue. Please allow some time to find parking as it is sometimes busy. If you are on the street please observe the street signs. Some have time restrictions and make sure you are not in a commercial parking zone. Walks 'N' Wags accepts no responsibility for vehicles that are ticketed or towed.

**What to bring:**

1. Wear comfortable clothing that you can layer on and off.
2. Bring writing paper and pen/pencil.
3. While we do supply snacks and beverages, there will be a lunch break to have a larger meal if you'd like. There are a number of places to eat in the vicinity or feel free to pack a lunch.
4. Dogs are welcome if registered ONLY. If you would like to bring your dog please let me know as there is a 5 dog per class maximum. Your dog must be relatively calm, quiet, sociable with other dogs and people, and be willing to be handled patiently by multiple people for demonstrations. We reserve the right to send any dog home if s/he is felt to be disruptive or unsuitable for the dynamics of the class. While we cover cat first aid as well, we regret that cats are unable to come to class since the dogs become too excited.

**Cancellations:**

We will return full payment if a cancellation is made up to one week prior to the course start date. Any cancellations after this point are subject to a \$25 administration fee.

Cancellations made within 48 hours of course start date will not be refunded.
